Le tinte in queste pagine sono riproduzioni fotografiche e servono ad orientarsi per la selezione del prodotto. Essendo possibili differenze cromatiche tra queste tinte, i campioni, le cartelle colori e la produzione, non sono oggetto di reclamo.

The colors in these pages are photographic reproductions that are used to guide for the products selection. Possible differences in colour between these, samples, colour charts and production are likely to happen, so they are not subject of future complaint.

Los colores en estas páginas son reproducciones fotográficas y sirven para orientarse en la selección del producto. Debido a las posibles diferencias de color entre estos, las muestras, las carpetas de color y la producción no serán objeto de queja.
