

EcoLabel EcoFuture!

The Value of IVAS Certified Sustainability.

3 products,

one single direction: environmental responsibility.

- **IDROMATT BIANCO**

Matt wall enamel, highly washable, for interiors.

Ideal for schools, hospitals, kitchens, and public spaces.

- **ECOTEX BIANCO**

Super matte, washable, and filling paint for interiors.

Ensures a smooth and uniform finish on all surfaces.

- **MICRALICA**

High-penetration water-based acrylic primer, for interior and exterior use.

Strengthens and improves adhesion of subsequent layers.

Add value to your Projects, discover
